## General Price List

Effective February, 2015

The goods and services shown below are those we can provide to our clients. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

A. Basic Services of Funeral Director and Staff, Including Overhead \$1,050

Our fee for the services of funeral director and staff includes, but is not limited to, staff response to the initial request for service; arrangement conference with family or responsible party; arrangement of funeral; preparation and filing of necessary local authorizations and permits; recording vital statistics; staff assistance prior to, during, and following the funeral, including cemetery, crematory, and others. Also included in this charge are overhead expenses relative to our facility such as insurance, maintenance, and utility expenses; clerical and administrative costs; and equipment and inventory expenses. This fee for our basic service and overhead will be added to the total cost of the funeral arrangements you select, and is included in our charges for cremation, immediate burials, forwarding and receiving remains, and our funeral packages.

B. Embalming \$550

Embalming is intended to temporarily preserve the remains and enhance the appearance of the deceased. Except in certain cases, embalming is not required by law. Embalming may be necessary if you select certain funeral arrangements such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement which does not require it, such as direct cremation or immediate burial.

## ACCEPTABLE METHODS OF PAYMENT

Angelus Funeral Home accepts the following methods of payment: Cash, bank money order, cashier's check, personal checks, and uncontestable life insurance policies, Visa, Discover, MasterCard and American Express.

### Personal Check(s)

We will gladly accept your personal check upon authorization by Certegy Check Clearance.

### Life Insurance

Families choosing to use life insurance to pay for funeral services and merchandise will be assessed an insurance processing fee on the total amount of insurance proceeds being used. Angelus Funeral Home does not receive any portion of this fee. Angelus uses the services of an insurance processing company to quickly process insurance claims and make funds available within the payment schedule established by the mortuary. In order for the insurance processing company to process these claims, the processing fee will be included on your contract as a Cash Advance item because it is money that is paid directly to the insurance processing company and not paid to the mortuary. If you choose not to pay these fees, Angelus Funeral Home will not accept your policy to pay for the funeral services and an alternative acceptable method of payment for services will be established.
